A killer is roaming the streets of San Diego, preying on single mothers and their children with a depravity that few in the police department have ever seen. He s hunting for the perfect family . . . and judging by the trail of bodies he s left scattered across the city, this particular daddy is very hard to please. For Detective Holly Jennings, the search for the Family Man killer just got personal. Not only is she a single mother struggling, after the death of her husband, to raise her daughter, but now Holly s friend and her daughter have become the Family Man s latest victims. Determined to stop him once and for all, Holly delves deep into the investigation, combing through evidence for clues to his identity. But the closer she gets to the truth, the further she must venture down his dark, twisted path, until she is forced to decide just how high a price she s willing to pay for justice.
