Sometimes losing is the best thing that can happen to a guy. When a hot, sexy gamer geek obsessed with winning meets his match in a sassy, take no crap cook , sparks fly and a game served spicy begins. Micah James is tall, excessively handsome, a brilliant success as a top video game programmer and a jerk of the first order. Used to flashing a smile and a wink to get whatever he wants, Micah knows what he wants right now and it's for the local supermarket deli cook to be his personal chef. What he's not ready for is the battle of wills he'll soon engage in when he meets his match in Nori Blackmon. When their worlds collide, neither is ready for the perfect and powerful chemistry that exists between them or that a love like this can form between two people with such different lives and dreams. Him Her is a contemporary love story between a man and woman moving in different directions until fate intervenes to offer them a new one--with each other. Note: This book has a continuation to the next book (cliff hanger). If you do not like reading series of this nature, this book and storyline may not be for...
