The humans tried to flush them out from hiding and there was pandemonium. The chaos was tearing every country apart and many world leaders feared that the world would not last into the next year. With debates that droned on for days, the two races finally came to a decision. At long last the supernaturals would attempt once more to try and openly co-exist with humans. 2035. Rayne Nyte has just finished school and is preparing for university. She learns that some people around her may not be who or what they have claimed to be.
