Book Description: How to Raise Well-Behaved Children Dawn

Lighter has written a breakthrough book that will change the way you think about and practice discipline. She believes

teaching children good behavior is much easier, more

productive, and more pleasant than focusing on punishing bad

behavior. This book lists fifty simple techniques for teaching

children good behavior: * ten ways to avoid conflict (e.g., how

and when to distract your child, offer choices, and walk away) *

ten ways to improve communications (e.g., how to use effective

body language and set clear boundaries) * sixteen ways to use

consequences (e.g., how to use natural consequences and how

to avoid empty threats) * four ways to shape a child's

environment (e.g., how to simplify and enrich the home

environment) * ten ways to meet parents' needs (e.g., how to use

relaxation methods and visualization in parenting situations) --

title. Ingram: Most parents think of discipline as something they

do after their children misbehave. Family therapist Lighter

believes that good discipline should be viewed as instruction,

rather than punishment, and provides 50 simple...
