Dalkey Archive Press. Paperback. Book Condition: new. BRAND NEW, The Review of Contemporary Fiction: Volume 23-3: Diane Williams / Aidan Higgins / Patricia Eakins, John O'Brien, C. Giscombe, C. S. Giscombe's Here is a long, single poem that takes place in a progression of three settings, three unlikely locations: the edges of the urban south, the edges--just beyond and just within the city--of rural Ohio, and the places where upstate New York forms the border with Canada, "the next country." Here is racial in its knowledge and acknowledgment of the great geographic archetype, the journey north; yet the work's nature denies the closure of destination. The poem's interest instead is in statement(s) of situation, in "the path traced by a moving point." First published by Dalkey Archive Press in 1994, now available again.
