

Pass the Energy, Please

By Barbara Shaw McKinney

Dawn Publications (CA). Paperback. Book Condition: New. Chad Wallace (illustrator). Paperback. 32 pages. Dimensions: 11.8in. x 9.3in. x 0.3in. Here is a favorite of elementary science teachers for the food chain. Each of the creatures passes the energy in its own unique way. In this upbeat rhyming story, the food chain connects herbivores, carnivores, insects and plants together in a fascinating circle of players. All beings on Earth--from the anchovy to the zooplankton--depend upon the green plant, which is the hero of the story. The special talent of the author shines again (see also *A Drop Around the World*) for being able to present the science curriculum so concisely, creatively, and cleverly. A 48-page Teacher Guide based on the book is also available (sold separately). This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Very good eBook and valuable one. Better then never, though i am quite late in start reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.

-- **Brianne Heidenreich**

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.
