When I Met You

By Jemma Forte

Harlequin (UK). Paperback. Book Condition: new. BRAND NEW, When I Met You, Jemma Forte, Marianne Baker is happy. Sort of. She's worked at the same job for years (nearly 15, but who's counting), she lives at home with her mum (who is driving her crazy) and sleeps in a single bed (yep, her love life is stalled). Playing the violin is her only real passion - but nobody like her does that for a living. Then one night everything changes. The father who abandoned Marianne as a child turns up on her doorstep, with a shocking secret that changes her life forever. Suddenly Marianne's safe, comfortable world is shattered. If her father isn't the man she thought he was, then who is he? And, more to the point, who is she? It's time to find out who the real Marianne Baker is.

Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
