Writers On., United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Writers on. series is a collection of extracts, anecdotes, quotations and occasional philosophical musings from the world's most influential authors. It celebrates writers who have an individual, creative outlook on the world; on subjects from drink to death , and love to libraries . Starting with ancient civilisations and moving towards the present day, this collection of intellectual and often humorous reflections provides a fascinating insight into a vast array of topics. What all these issues have in common though, is that in some way they have all enthused, influenced, ensnared or concerned the greatest writers of the day. Writers on Food.illustrates the complex relationships between writers and their victuals. It encompasses extracts from private diaries, studious essays and classic literary scenes, and contains some of history's most enduring meditations on gastronomic consumption. Vacillating between gluttony, apathy and pure appreciation, this collection offers an intriguing overview of that most universal of needs - food.
