Naval Institute Press, United States, 2014. Paperback. Book Condition: New. 229 x 153 mm. Language: English . Brand New Book ***** Print on Demand *****.Written by two World War II veterans who later became well-known war correspondents, this biography records the inspiring life of one of America s great naval heroes. Popularly referred to as 31-Knot Burke, Admiral Arleigh Burke fought savage battles at sea and won every decoration a grateful nation could bestow, yet his service to his country was not in combat alone. This book is at once a stirring testament to Burke s World War II record as a combat leader and to his talents as a diplomat at the armistice table in Korea and as a politician in Washington. It details his legendary victories with DESRON 23 in the Pacific and his development of high-speed night tactics for destroyers that resulted in what many call the perfect naval engagement at the Battle of Cape St. George.Burke s most enduring contributions occurred during his unprecedented three terms as chief of naval operations when he directed the Navy s technical development during its revolutionary change from steam and gunpowder to nuclear concepts in ships, weaponry, strategy, and tactics. Published soon after Burke s retirement from the Navy in 1961, the book has remained a standard reference for four decades.
