Bottom of the Hill Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The little books of this Silent Times Series have been a great comfort to the author in that they have proved helpful to many people in all parts of the world. Letters come continually from those who have been strengthened or encouraged by them. This new volume is sent out in the hope that it, too, may carry cheer and inspiration to those who may read it. The sweetest joy of earth comes from the privilege of being used by the Master in helping others to live a little more hopefully, victoriously and usefully. Finding the Way Does God condescend to show people the way through this world? He guides suns and planets in their orbits, so that they never wander from their course. He directs them so carefully, so accurately, that in all the vast universe, with its millions of worlds and systems of worlds, there is absolute precision in all their movements, with not deviation, age, after all. No star is ever too fast or too slow. No planet ever leaves its orbit. The sun is never late in rising. God has marked out paths for the worlds, and He causes them to move in these paths.
