*****.Legal writing in plain English. Law books using plain English which is easy to understand using clear concise plain wording. Welcome to my series of law textbooks for beginners. Have you ever wanted to know about business law but every time you picked up any textbooks or even articles you were completely put off by the terminology? The feeling that you would have to learn a whole new language just to be able to read it, let alone understand it.? Well look no further; my books are compiled so that all of the terminology, rules and principles are explained in plain English, leaving you to enjoy learning about the law in Ireland without the headache of terminology and confounding principles. If you have or are thinking about setting up your own business, this textbook will provide you with an essential grounding in company structure and law within Ireland. The structure of a business and the legal requirements for directors, shareholders and company secretaries are crucial in order to ensure that companies stay within the law...
