Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In The Beginning It may be the most famous book on earth and also the most maligned. No wonder, for Moses saves eight in a barge and drowns half a million alive. He gives men death as the price of fruit. His heroes act like sheep in wolves clothing, accustomed to the half-lie. But Moses is to ages past what John is to future events. His Genesis gives us the birth of all - languages, nations, cities and kings, the family, sin, and redemption s plan. And in Dreamers, Schemers, and First Blasphemers, author Joe Conti gives the reasons why: o A first-earth was not lost in cosmic war o Eden was just to the east of Kuwait o Some megaliths may pre-date the flood o The sons of god were indeed angels, but not the fathers of giants. Journey with us to the Promised Land, as Jacob wrestles with God and culture; Rebekah and Sarah champion election; Joseph defines the doctrine of dreams; and Abram is called to nullify Nimrod, antiquity s good boy gone bad. Melchizedek s here, with the glamorous serpent, the ark, and the Tower of Babel. The saints scheme and dream, the wicked blaspheme, but in all of it God gets his due.
