Some things are meant to be while other things should be left undone. She said she loved him but now she cannot believe how she ever thought she could make it work. Now she is trapped and is desperate to get out, but how? What's a girl to do when she feels like she has no place to go? They say true love never dies, so why can't the relationship stay true? In *His and Hers*, Taj Toogood brilliantly and creatively shows readers that there are two sides to every story, and somewhere in the middle lies the truth. Who will you believe: him or her?
