Brand New Book ***** Print on Demand *****.Alice s Adventures under Ground was the little-known first draft of what became the famed Alice s Adventures in Wonderland. When Charles Dodgson, better-known as Lewis Carroll, first composed the story of Alice, it was on a boating trip with the Liddell sisters. It was for Alice Liddell that he told tales of Alice s adventures, and Dodgson eventually promised to write the stories down for her. This edition of Alice s Adventures under Ground is the second recorded version of Alice s tales (the first was destroyed), given as a gift to Miss Liddell for Christmas. Afterward, friends encouraged Dodgson to publish Alice s Adventures, which he did after some revisions with Macmillan Company in London, as the version we know and love today. This facsimile of the handwritten 1864 manuscript includes additional material from the 1886 version and 37 original illustrations. The original manuscript can be viewed in the British Museum in London. In 1865, English author CHARLES LUTWIDGE DODGSON (1832-1898), aka Lewis Carroll, wrote a fantastical adventure story for the young daughters of a friend. The adventures of Alice - named for one of the little girls to whom the book was dedicated - who journeys down a rabbit hole and into a whimsical underworld realm, instantly struck a chord with the British public, and then with readers around the world.
