Family: Finding a Way shares a touching story of adoption and the joy that it brings to families every day. Author Kathleen McMahon tells the story of a young, newly married couple, Betty and Bob, and their decision to start a family. Betty has a medical challenge in terms of conceiving a baby, and the couple needs to explore possible solutions such as adoption. When they are able to adopt first a beautiful daughter and then a strong and healthy son later, they feel that their lives have been completed. Intended for adopted children, Family showcases the love of the couple for each other and for their adopted children. By taking a positive and happy look at the adoption process and tracing the journey of adoption, children will be able to better understand what an important part an adoptee plays in new families.
