But when an evil queen reappears in Kingdom, life becomes too strange to handle Even when she s not starting it, trouble follows Marissa everywhere. First there was the incident with the homicidal Fairy Godmother. Then there was the time she accidentally started Armageddon. But the problems that always seem to arise on Marissa s birthday take the cake. This year, her annual bad-luck presents include an army of invading goblins, the resurrection of two vengeful enemies from hell, and the return of the Black Queen, the evil sorceress whose reign of terror still haunts Kingdom and who happens to have claimed Marissa as her servant.
