When walking through your wilderness of life, you will see broken branches, bumps and all kinds of stuff laying on the ground. If your not careful those very things laying around will trip you up. Many identify their wilderness as who they are and what they are destined to become. Instead of using the wilderness as an identification why not see yourself as God sees in even while in your wilderness. Not seeing the forest through the trees. Using the spiritual eye verses the natural. Most ministers, preachers and those of the cloth have their own wilderness experiences so you may ask how do they get through? What is the process one must take in order to see themselves as God does while walking in their wilderness. Well Bena as a minister and Christian Life Coach herself makes this process available to you inside this devotional workbook. Utilizing the Word of God and the Power of Prayer. The Power of writing your own words matching with what God has to say through His Word. I myself found healing and deliverance while walking through my wilderness and so will you. I don t care how long ago the hurt, pain or turmoil was there is healing while walking through your wilderness. Its like a mirror, once you complete this workbook you will see God in your reflection. You will see the creation whom God hand painted Himself and that creation is you. This workbook is easy to use and very useful for any Bible study group.
