Brand New Book ***** Print on Demand *****.The appointment of a Supreme Court Justice is an infrequent event of major significance in American politics. Each appointment is important because of the enormous judicial power the Supreme Court exercises as the highest appellate court in the federal judiciary.Appointments are infrequent, as a vacancy on the nine- member Court may occur only once or twice, or never at all, during a particular President's years in office. Under the Constitution, Justices on the Supreme Court receive lifetime appointments. Such job security in the government has been conferred solely on judges and, by constitutional design, helps insure the Court's independence from the President and Congress.
