Lulu.com, United Kingdom, 2015. Pamphlet. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Great Dream is a fusion of Aboriginal Australian dreamtime storytelling and Tibetan Bon dream yoga practices. In the first part The Dream of Creation , Cloudskipper dreams of a five colored rainbow (similar to the rainbow serpent of the Aboriginal Dreamtime), each color represents an element from the Bon tradition. In part two How the Stars Were Made he introduces his friends from the dreaming to the new earth and provides them with guides in the form of beings of light. Next in How the Clouds Were Made he uses sea foam to create a cloud, which provides much needed rain. In the fourth story, How the Moon Was Made his friend Brolly Bird (a Crane) loses her necklace. Cloudskipper visits his cloud friend and is given a piece of cloud which he forms into the moon. The moonlight helps them to find the necklace. Finally The First Rainbow takes the story full circle. Brolly Bird dances for the clouds to thank them for the Moon, the cloud s joy and laughter creates a rainbow.
