Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Safkhet Fantasy, United Kingdom, 2012. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The last wizards in the world are being murdered by a changeling of terrifying strength. The most powerful of them all is nearly drained of all his powers, leaving him a withered and dying husk of a man. Now, he must travel the world, escorted by his ancient friend and last of the dragons, to find this evil and destroy it, saving himself and the fate of all from an enemy intent on cleansing the planet and destroying humanity. White Mountain is an epic fantasy with dragons, dworlls, wizards, wargols, fire wolves, an oracle and a witch, set now within our modern world. With strong ecological themes throughout i.e. the continued destruction of the natural environment and the encroachment of an ever-expanding human population on the eco-systems around it, its rich blending of historical fact with mythological fiction, and a complex story of familial bonds, murder, dark magic, stolen identities, intrigue, friendship, betrayal, White Mountain is a contemporary twist to the classic struggle of good versus evil. Reviews: Brilliant writing! Real talent for building scenes in the reader's mind. Excellent dialogue. A great story! If you like Terry Goodkind, you will like Sophie E Tallis! About the Author: Sophie E Tallis lives in the Cotswolds with her family and her two dogs. She is a full-time teacher and has been inspiring young children for the past 14 years, but her first passion has always been for writing stories. When asked what her interests are, she usually smiles and replies, EVERYTHING!.
