CHECKING C PROGRAMS WITH LINT (REVISED EDITION)

[DOWNLOAD PDF](#)

O'Reilly Media, Inc, USA. Book. Book Condition: new. BRAND NEW, Checking C Programs with Lint (Revised edition), Ian F. Darwin, The lint program checker has proven time and again to be one of the best tools for finding portability problems and certain types of coding errors in C programs. This book introduces you to lint, guides you through running it on your programs, and helps you to interpret lint's output. lint verifies a program or program segments against standard libraries, checks the code for common portability errors, and tests the programming against some tried and true guidelines. linting your code is a necessary (though not sufficient) step in writing clean, portable, effective programs.
