Date :2011-7-1. In recent years. civil society. more and more popular career. participate in civil service recruitment examination of more and more people turned up more and more intense competition . One can imagine the difficulty of the candidates to achieve career aspirations definitely not small. The face of fierce competition. the minimum requirements for candidates of their own is no longer passed the exam. but among the best. Only in this way. we can be the opportunity to interview. thus achieving career aspirations. How to get high scores in the exam. stand out the full course of accumulation of knowledge is a prerequisite. But this is not one or two days or even two or three months to complete. With a wealth of knowledge. does not mean to win in the exam. it does not mean problem-solving methods to speed and jumped. Do not understand the purpose and the civil service exam test questions characteristics. rush to attack. armed with machetes hacked is no different from the stone. there is another great ability also does not come out. Careful study of examination papers. in particular. is a typical representative of the classification of questions. comparative law is misunderstood. and found a quick way to problem-solving. is undoubtedly the key to success. Ben Taoshu purpose of writing is to help candidates understand the type of questions. exercises and concentration exercises by category. so that candidates acquire and master the fast and useful problem-solving techniques to help blind candidates will be cut stones are often volume edged sword. . and replaced with crushed rock of both the quasi-head there are efforts to...
