

Take Care: Communicating in English with U.S. Health Care Workers (Mixed media product)

By Nina Ito, Christopher Mefford

The University of Michigan Press, United States, 2011. Mixed media product. Book Condition: New. With Audio CD ed.. 277 x 216 mm. Language: English . Brand New Book. Take Care was written to help nursing students and other health care workers communicate better in health care settings, with a focus on improving speaking and listening skills, vocabulary, and pronunciation. The aim was to provide users with the tools and specific communication strategies to build, maintain, or repair interactions that take place on the job. This book is also designed to develop the pragmatic competence necessary to get things done on the job and to understand some of the social situations required by health care workers, like expressing condolences or giving advice. The individuals most likely to benefit from the material in the book are: Nursing students enrolled in community college (e.g., pre-nursing courses or RN students who have a special class) . ESL students enrolled in specific CNA or medical assistant classes . ESL students enrolled in U.S. universities who are here to learn more about nursing or health care as profession (they may or may not already have a degree in their own countries) . Nurses or health care...
