Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Wild: An Elemental Journey, Jay Griffiths, I took seven years over this work, spent all I had, my time, money and energy. Part of the journey was a green riot and part a deathly bleakness. I got ill, I got well. I went to the freedom fighters of West Papua and sang my head off in their highlands. I met cannibals infinitely kinder and more trustworthy than the murderous missionaries who evangelize them. I anchored a boat to an iceberg where polar bears slept; ate witchetty grubs and visited sea gypsies. I found a paradox of wildness in the glinting softness of its charisma, for what is savage is in the deepest sense gentle and what is wild is kind. In the end - a strangely sweet result - I came back to a wild home.
