Clog March 2014 - Miami

By Clog

CLOG March 2014, 2014. Trade Paperback. Book Condition: New. The largest city in the southeastern United States, Miami has long been subject to a range of unique forcesâ"natural, political, and culturalâ"which have brought both booms and devastating busts. Despite setbacks, however, Miami has become a dynamic and broadly American city that mixes the historically Anglo-dominated North and the Latin South, vividly presenting many characteristics of today's United States: cosmopolitanism, an ever- shifting balance between public and private interests, economic volatility, and environmental tightrope walking. When it comes to architecture, something is definitely happening in Miami. Not only is real estate and development booming, but recently, significant civic projects have demonstrated a potentially serious public/private commitment to infuse the commons with design and the arts, as seen in the Wynwood Art District and Art Basel Miami. Miami invented a strand of mid- century Modernism, epitomized the design aesthetic of the 1980s, hosted the major intellectual center of the New Urbanism movement, and is now providing opportunities to a new (and hungry) crop of international architects in projects like the Miami Beach Convention Center, Coconut Grove, the New World Center, One Thousand Museum Tower, the PeÃ rez Art Museum Miami, 1111 Lincoln...

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
