Brand New Book ***** Print on Demand *****.In the account of the adventure that I have edited and entitled The Reigate Poisoning Case, published by Inknbeans Press in the collection Notes from the Dispatch-Box of John H. Watson MD, there was no mention of any character named Mlle. Carere, nor of a subsequent resurrection of the victim, let alone a reappearance and marriage in New York. I had therefore assumed that Watson had confused two cases, and attached the name of the principal of one to the events of another. It turns out that I was mistaken. Watson was correct in all the details that he had originally supplied as hints mentioned in his earlier story of Dartmoor. As I was searching through the dispatch box, I discovered an envelope into which was tucked another notebook, somewhat similar to the one in which I had discovered the story of Madame Montpensier. This was the totally unexpected sequel to the story that I had first discovered-a sequel that overturned my previous assumptions. The notebook contained what was perhaps a final copy of the second part of the manuscript describing the adventure, to be sent to the publisher, but later withheld, almost certainly at the request of Sherlock Holmes, given the content. Certainly there are very few corrections and additions to be seen in the manuscript, and the style is as polished as any other production from the pen of John Watson. I therefore present to you the second part of The Reigate Poisoning Case, which in my opinion, brings to a satisfactory close-as far as the plot is concerned, though many dubious moral aspects remain-those parts of the case that raised doubts in my mind...
