

## **Creative Enterprise: Contemporary Art Between Museum and Marketplace (Hardback)**

Filesize: 6.96 MB

### **Reviews**

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be the best publication for at any time.*

Continuum Publishing Corporation, United States, 2012. Hardback. Book Condition: New. New.. 218 x 142 mm. Language: English . Brand New Book. In the face of unparalleled growth and a truly global audience, the popularity of contemporary art has clearly become a double-edged affair. Today, an unprecedented number of museums, galleries, biennial-style exhibitions, and art fairs display new work in all its variety, while art schools continue to inject fresh talent onto the scene at an accelerated rate. In the process, however, contemporary art has become deeply embedded not only in an expanding art industry, but also the larger cultures of fashion and entertainment. Buskirk argues that understanding the dynamics of art itself cannot be separated from the business of presenting art to the public. As strategies of institutional critique have given way to various forms of collaboration or accommodation, both art and museum conventions have been profoundly altered by their ongoing relationship. The escalating market for contemporary art is another driving force. Even as art remains an idealized activity, it is also understood as a profession, and in increasingly obvious ways a business, particularly as practiced by star artists who preside over branded art product lines.
