*Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).*  
*(Prof. Lawson Stokes IV)*

## EAST IS BLACK: COLD WAR CHINA IN THE BLACK RADICAL IMAGINATION

Duke University Press. Paperback. Book Condition: new. BRAND NEW, East is Black: Cold War China in the Black Radical Imagination, Robeson Taj Frazier, During the Cold War, several prominent African American radical activist-intellectuals--including W.E.B. and Shirley Graham Du Bois, journalist William Worthy, Marxist feminist Vicki Garvin, and freedom fighters Mabel and Robert Williams--traveled and lived in China. There, they used a variety of media to express their solidarity with Chinese communism and to redefine the relationship between Asian struggles against imperialism and black American movements against social, racial, and economic injustice. In "The East Is Black," Taj Frazier examines the ways in which these figures and the Chinese government embraced the idea of shared struggle against U.S. policies at home and abroad. He analyzes their diverse cultural output (newsletters, print journalism, radio broadcasts, political cartoons, lectures, and documentaries) to document how they imagined communist China's role within a broader vision of a worldwide anticapitalist coalition against racism and imperialism.
