

Informal Learning in Organizations: How to Create a Continuous Learning Culture (Paperback)

Filesize: 3.01 MB

Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Hermann Marvin PhD)

INFORMAL LEARNING IN ORGANIZATIONS: HOW TO CREATE A CONTINUOUS LEARNING CULTURE (PAPERBACK)

Kogan Page Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book. As the pace of change in the workplace accelerates and training budgets are challenged, it becomes essential for employees to learn as they go along. In this connected world, new ways of learning are emerging all of the time, whether the learning is planned, unexpected or self-directed. For those responsible for learning and development in organizations, understanding how this kind of informal learning can be utilised and measured is key to providing efficient and cost-effective ways of delivering on organizational objectives around people development. Informal Learning in Organizations offers practical tools, including checklists and action plan questions, to guide the Learning and Development practitioner in how to design and implement an informal learning strategy that is personalised to the needs of their own organization. It combines the latest thinking on new technology and practices with established theory and research to provide an evidence-based review of informal learning and its true impact. It offers an overview of how and why informal learning resonates with people, how it works and when and why it doesn t. This book will assist the reader in making sense of their connected environments to create a continuous learning culture in their organizations.
