

Scottish Words: A Very Peculiar History

Filesize: 1.32 MB

Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

SCOTTISH WORDS: A VERY PECULIAR HISTORY

Salariya Book Company Ltd. Hardback. Book Condition: new. BRAND NEW, Scottish Words: A Very Peculiar History, Fiona MacDonald, What would you say if someone gave you a bap, a dap, or a garron? How would you feel if they called you a dux or a sneuter? Do you know what to do with a flane, a hushock, a kist, or tassie? Could you wear raploch or schort-hoozle? Eat a cake that was gibbery, or keggum? And, with your nearest and dearest, how would you fancy a spot of houghmagandie? North of the Border - it's not just the accent that's different, the whole language is not the same. In fact, there are several different ways of speaking in Scotland, from the Borders in the south to the northernmost Orkney and Shetland Isles. This book will look at them all, although it will focus on Scots - the traditional language of the majority of Scottish people for the past thousand years and more. Fact boxes, a full glossary, timeline and index make the book both fun and informative to use.
