What first starts off as just another way to overcome their boredom soon turns into a fun, wonderful, adventurous, journey of the imagination, as these two loving sisters, improvise its every outcome along the way. My little baby sister and I, on a cold winter day has all the makings of a truly great children s book. Bound to become a modern-day classic in children s storytelling, it speaks of the beauty and innocence of an ideal childhood. The simplistic youthful longings and observations of a young adolescent and new born child, upon a not so simple, complex, unfolding world.
