Paul Moehring, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Spiritual Warfare Ensemble: firstly, this book was originally entitled as Weathering The Storm: then failed to rank well with that title. I couldn t find it either. And that s why you re seeing these un-verified reviews, as reviewer s kindly reposted to this new title, but without purchasing another book. A Spiritual Warfare Ensemble: Contending with- Demonic Oppression - is the accounting of my lifetime s demonic oppression. Spiritual warfare that ripped to a head with the death of my schizophrenic older brother Walter, and the transfer of his many demons to me, initially, without my knowledge. That underhanded invasion brought about a devastating attack of sudden-onset schizophrenia, his schizophrenia. This brutal attack, this spiritual warfare was to be defeated in Christ, and that s the central core of the story. My tale of an ongoing sanctification process, a rich accounting a reporting on, and an unveiling of grace and spiritual authority discovered and put into action. This book explains, details and documents how I won that victory, it s an illustrated action plan and my testimony in its essentials. It s my one stop rebuttal to the designs of the demonic. It s what I was searching for when I desperately needed help and couldn t find it. It s my thumb in the eye, personal sanctification and spiritual warfare manual, aimed right back at all the enemies I so soundly defeated! Altogether, there are many ways to skin a cat, but this book in its real-life experiences, has to be one of the most comprehensive resources for self-deliverance and spiritual warfare available! Lord Bless!.
