Graywolf Press, U.S., United States, 2004. Paperback. Book Condition: New. New.. 215 x 134 mm. Language: English . Brand New Book. Albert Goldbarth is a dazzling virtuoso who can break your heart (Joyce Carol Oates) How is Eliza's divorce connected to the rise of twentieth-century quantum physics? Why does the steamy promise of a key unlocking a door at a cheap motel along I-35 lead us to a consideration of Moby-Dick? What does one physician's fake appointment book have to do with Columbus, werewolves, and Fanny Burney's famously excruciating nineteenth-century mastectomy? Albert Goldbarth sets his story of love's daily pleasures and griefs upon a foundation of ever-branching footnotes from the strange worlds of supermarket tabloids and the Legion of Super-Heroes to more contemplative forays into gender politics, Dickens scholarship, and medical anomalies. By taking us on this mind-bending journey, he shows us how our lives are both confused and empowered by the multilayered universe around us. *Pieces of Payne* is the first novel by Goldbarth, a two-time winner of the National Book Critics Circle Award.
