Frederique Media Productions, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever ask yourself that age old question, what is the meaning of life or even your life? Do we all have a purpose on Earth? Are you currently searching to find meaning to your life or trying to make sense as to why you work so hard? These are the questions that shape our beliefs. They also shape our morals and values. Nevertheless the economic environment in which we were born into plays a role in the direction our lives take to find those answers. Most importantly it reveals our false sense of security when we don t even know our his/tory. Why entrepreneurship? What is IT All About? is broken up into a three part series that gives you hundreds of reasons for why you need to become an entrepreneur in the 21st century instead of being a business owner or an employee. This book brings together life s every day struggles and helps you make sense as to why you are financially strap, losing your job, and your state is facing a high unemployment rate as concerns of job security lingers on. Other topics discussed are immigration, teenage pregnancy, politics, network marketing, pensions, 401K, the future of...
